About B&S Group

B&S Group is a global distribution partner for consumer goods in attractive channels and across specialised markets, such as Retail B2B (business-to-business), E-commerce, Maritime, Remote and Retail B2C (business-to-consumer). With a well-trained and experienced workforce of over 2,000 employees, the Group serves as a trusted and reliable partner to suppliers and (end-) customers, providing essential distribution services and solving supply chain complexities. B&S Group operates a flexible, well invested and highly efficient distribution platform that comes with strong barriers to entry. Powered by high capacity warehouses and delivered with expertise in customs and compliance, the Group offers over 40,000 SKUs to its customers in more than 100 countries.
